GOOD NEWS FROM AROUND TOWN

Bike/Walk Audit a Success

The Town of Whiteville is pleased to announce the successful completion of its recent Bike/Walk Audit along South Woodland Avenue. Town leaders, residents, and partners came together to evaluate walkability and cycling safety throughout the corridor. We are looking forward to seeing what positive outcomes this effort will bring for pedestrians, cyclists, and families across our community.

\$100,000 Grant Awarded for Industrial Park Enhancements

Whiteville has been announced as a recipient of a \$100,000 grant, requiring no matching funds, to enhance the town's industrial park. The improvements are designed to get people moving and to attract visitors and tourists to our community. This is an exciting step forward for economic growth and development in Whiteville.

WHITEVILLE FOOD BANK

The Whiteville Food Bank is here for our neighbors in need. The Food Bank provides emergency assistance to residents facing urgent food needs, and offers annual gifts each year for the town's youth and foster children.

In addition, the Food Bank provides emergency bill pay assistance and other services as funds allow.

If you or someone you know is in need of assistance, please contact Whiteville City Hall during regular office hours, Monday through Thursday, 7:00 a.m. to 5:00 p.m. You may

also contact the Whiteville Police Department at 731-254-9450.

BOARD OF MAYOR & ALDERMEN

Residents wishing to be placed on the agenda for an upcoming Board of Mayor and Aldermen meeting should contact Whiteville City Hall for assistance.

THINGS TO COME

New Fire Station

Whiteville is moving forward with plans for a new fire station, an exciting investment that will support faster response times and continued protection for our growing community.

Water/Sewer System Upgrades

Improvements to the town's water and sewer system are underway, helping ensure safe, reliable service and supporting future growth throughout Whiteville.

TDOT Reviewing Local Highway for Safety Improvements

The Tennessee Department of Transportation is reviewing our local state highway to identify potential safety improvements, a positive step toward safer travel for residents and visitors alike.

Road Improvement Cost Analysis Underway

The Town is conducting a cost analysis for upcoming city road improvements, laying the groundwork for smoother, safer streets in the months ahead.
